EVALUATE

Adult Education Specialists

Evaluate is the projects division of Media Works. This team of Adult Education implementation experts will ensure that you achieve your Adult Education and Training (previously ABET) goals. The Evaluators partner with your organisation to gain an in-depth understanding of your business needs and align their recommendations to meet your unique requirements.

AET implementation must be relevant, customised and professionally managed in order to truly benefit both learner and employer. Trust the leaders in Adult Education and Training to design your AET programme – visit www.mediaworks.co.za for more information.

At a Glance

The **Evaluate** team is your AET quality assurance partner. We work closely with you to ensure that your standards are achieved and maintained. By conducting on-site quality assurance visits, we gain a clear understanding of your AET learning context and needs. We review your current AET programme, monitor facilitation and sample learners' work and assessments. From this quality assurance exercise we provide you with solutions to address any gaps.

Our team of specialists is available to support your training managers and co-ordinators; mentor your facilitators and monitor and project manage your AET programme.

Powered by Media Works

Media Works is the expert in Adult Education and Training (AET). Established in South Africa in 1996 we have a **national footprint** specialising in the provision of NQF (National Qualifications Framework) Level 1 training.

Our **outstanding track record** is undeniable and our client list is impressive. However, it is our passion for the provision of fundamental human skills that is the driving force behind our business. Media Works does not simply educate; it builds, enlightens and ignites fires in people.
